

TO: MAYOR & COUNCILLORS
FROM: GENERAL MANAGER PARKS, RECREATION AND CULTURE
SUBJECT: **AUTHORIZATION FOR SPECIAL OUTDOOR EVENTS 2025**
PURPOSE: To seek authorization required under the Burnaby Noise and Sound Abatement Bylaw for outdoor events at specific locations.

RECOMMENDATION

THAT approval be given for up to 58 events at Deer Lake Park, Central Park and Swangard Stadium between April 1, 2025 and November 1, 2025, as outlined in the report titled, “Authorization for Special Outdoor Events 2025”, dated March 25, 2025.

1.0 POLICY SECTION

The recommendation within this report aligns with the Corporate Strategic Plan, Burnaby Economic Development Strategy (2007), Social Sustainability Strategy (2011), the Benefits Based Approach (2023) and the Interim Indigenous Relations and Reconciliation Strategy Framework (2024) supporting diverse, accessible experiences that enhance vibrancy within Burnaby and the City’s purpose “to create the city that we all want to live in and be in.”

2.0 BACKGROUND

Outdoor parks and facilities continue to serve as important venues for festivals, concerts and special events, specifically Deer Lake Park Festival Lawn, Swangard Stadium and Central Park (Patterson & Central Blvd.). The community’s interest and appetite for gatherings and special events has grown exponentially and adds to the vibrancy of public spaces and places in Burnaby.

The Burnaby Noise and Sound Abatement Bylaw #1979 Amendment No.12066; Section 2 requires Council authorization for special events using amplified sound at these locations.

3.0 GENERAL INFORMATION

Up to 58 special events with amplified sound will take place at Deer Lake Park Festival Lawn, Central Park, and Swangard Stadium in 2025. This number is similar to the previous years. Events include the City’s annual Symphony in the Park, Opera in the Park, the Burnaby Blues and Roots Festival and up to 10 ticketed concerts hosted by external organizers and/or community groups at the Deer Lake Festival Lawn location.

The City’s annual Streetfest Canada Day and Central Spark Halloween celebration will be held at Central Park and Central Boulevard. Swangard Stadium will host up to 43 special events including a variety of festivals, sporting and special events including the Harry Jerome Track Classic, Pinoy Festival, Pumpkins after Dark as well as professional soccer matches. All activities can operate up to 11:00 p.m.

Event organizers are required to ensure that amplified sound levels do not exceed an average decibel limit of 98 dbA in accordance with industry standards for live events. Further research on best practices across the region and country may be beneficial when reviewing the contracts with organizers and users and possible impact on the area.

The recommendation and procedures align with past practice and within the provisions of the relevant municipal bylaw (Burnaby Noise and Sound Abatement Bylaw #1979 Amendment No.12066; Section 2), specifically:

16B (1) The provisions of this Bylaw do not apply to concerts, festivals, sporting events, or other special events held in or at Deer Lake Park or Swangard Stadium that would otherwise contravene any of the provisions of this Bylaw if such events have been authorized by Council (BYLAW NO. 12066);

(2) In authorizing the holding of events to which subsection (1) applies, Council may authorize the events:

- (a) generally by authorizing a maximum number of those events that may be held at either or both of Deer Lake Park and Swangard Stadium in a particular calendar year;
- (b) specifically by the location, date, and description of the event.

Staff will continue to manage the venue locations professionally to ensure all events and festivals are well organized and meet standards.

4.0 COMMUNICATION AND COMMUNITY ENGAGEMENT

The public and neighbourhood areas will be advised through marketing plans. The City produced signature special events will include robust outreach strategy for implementation.

5.0 FINANCIAL CONSIDERATIONS

There are no financial considerations associated with this report.

Respectfully submitted,

Mary Morrison-Clark, General Manager Parks, Recreation and Culture
