Details about your appearance

I am writing to request that an invited delegation from the Burnaby Community Assembly be included on the agenda for the May 27th Council meeting, as space permits.

The Assembly was convened last year as one avenue of in-depth public engagement

for Burnaby 2050, the updated Official Community Plan. The Assembly is reconvening to review the draft Official Community Plan on April 26th, and are wishing to return to Council for a final feedback presentation. This process has been supported by Community Planning staff and the Civic Innovation Lab.
