“(1) No primary dwelling unit in the R1, A, or AM Districts shall contain less than 56 m² (602.80 sq.ft.) of floor area. A secondary suite shall contain at least 32.52 m² (350 sq.ft.) of floor area.”

(oo) at Section 6.10, by repealing the opening paragraph of subsection (2.1) and replacing it with the following:

“(2.1) Notwithstanding subsection (2) of this section, the minimum floor area of a dwelling unit in the P11e District, or a rental unit in the RM, C, CM, E, P11, PM, and R Districts other than the R1 District, and all of their sub-districts, and the Comprehensive Development District, or portion thereof, based on the above noted Districts, shall be as follows:”

(pp) at Section 6.12, by repealing subsection 1(e) and (f) and replacing them with the following:

“(e) An uncovered patio or terrace, which may be open or enclosed, in any yard in an A, AM, R or RM District subject to the fence height limitations as specified in Section 6.14.2 of this Bylaw. The provision of an awning or similar temporary covering for such a terrace shall be permitted.

(f) Arbors and trellises, fish ponds, ornaments, flag poles, or similar landscape features, provided the height complies with the height requirements prescribed for fences within the zoning district in which it is located.”

(qq) at Section 6.12, by repealing the closing paragraph and replacing it with the following:

“For lots in C1, C2, C4, C7, CM, E, I, and PM Districts, street canopies that do not exceed 2.0 m (6.56 ft.) in depth may project into the required front yard.”

(rr) at Section 6.14.2, by repealing subsection (1)(b) and replacing it with the following:

“(b) In all zoning districts, except A, C4, M, E, and I Districts, fences not exceeding 1.8 m (5.91 ft.) in height may be located anywhere on a lot to the rear of a required front yard.”

(ss) at Section 6.14.2, by repealing subsection (1)(c) and replacing it with the following:

“(c) In A, C4, M, E, and I Districts, fences not exceeding 2.4 m (7.87 ft.) in height may be located anywhere on a lot to the rear of a required front yard.”

(tt) at Section 6.14.2, by repealing subsection (1)(d) and replacing it with the following:

“(d) Notwithstanding paragraph (c) of Section 6.14.2(1), in M, E, and I Districts, any fence located outside of the required yards shall not exceed the maximum height prescribed for principal buildings within the zoning district in which it is located.”

(uu) at Section 6.14.2, by repealing subsection (3) and replacing it with the following:

“(3) Notwithstanding subsection (1), and subject to the vision clearance provisions of Section 6.13, open mesh and chain link type fences erected on cemeteries, public parks, schools, and in the M, E, I, P, or PM Districts shall not exceed a height of 3.5 m (11.48 ft). The addition of barbed wire, razor wire, or similar materials with sharp projections to such fences

shall be permitted in the M, E, and I Districts, and for correctional institutions permitted in the P7 and PM2 Districts.”

(vv) at Section 6.14.2, by repealing subsection (5) and replacing it with the following:

“(5) Barbed wire, razor wire, or similar materials with sharp projections shall not be used in the construction of a fence, except for correctional institutions permitted in the P7 and PM2 Districts, or in the M, E, and I Districts.”

(ww) at Section 6.15, by repealing subsections (1)(a) to (d) and replacing them with the following:

“(1) Lots and Required Yards:

(a) In R, RM, C5, P, and PM Districts, any part of a lot not used for building, parking or loading facilities or outdoor recreation or, in the case of a lot in the P4 or P12 District, not used for any permitted use, shall be fully and suitably landscaped and properly maintained.

(b) In C1, C4, M, E, and I Districts, all those portions of a required front yard not used for permitted parking or display areas shall be fully and suitably landscaped and properly maintained.

(c) In all zoning districts where the side line of a lot abuts a lot in an A, AM, R or RM District, or is separated by a street or lane therefrom, all those portions of a required side yard not used for permitted parking or outdoor play area shall be fully and suitably landscaped and properly maintained.

(d) Where the rear line of a lot in an M, E, or I District abuts a lot in an A, AM, R or RM District, or is separated by a lane therefrom, the

required rear yard shall be fully and suitably landscaped and properly maintained.”

(xx) at Section 6.15, by repealing subsection (2)(b)(i) and replacing it with the following:

- (i) In A, AM, C4, CM, M, E, and I Districts, any part of a lot used or intended to be used as an outside storage area shall be enclosed by screening on any side not facing directly upon the principal building on the lot, and no material shall be piled to extend above such screening in A, AM, C4, CM, M1, M4, or E Districts. In the case of M2, M3, M6, or I Districts, material may be piled to a maximum height of 3.5 m (11.48 ft.).”

(yy) at Section 6.15, by repealing subsection (3)(a) and replacing it with the following:

- “(a) Except in the R1 District, any parking area, loading area or display yard shall be separated from an adjoining street, or from a directly abutting lot in an A, AM, R1 or RM District, by a fully and suitably landscaped and properly maintained strip of not less than 1.8 m (5.91 ft.) in width.”

(zz) at Section 6.15, by repealing subsections (3)(b)(i) to (iii) and replacing them with the following:

- “(i) where any parking or loading area abuts a lot in an A, AM, R, or RM District, or is separated therefrom by a street or lane, except however, that where a parking area abuts a lane, the screening along the lane shall be not less than 800 mm (2.62 ft.) nor more than 1 m (3.28 ft.) in height for a distance of not less than 6.0 m (19.69 ft.) from all points of ingress and egress to and from such parking area;
- (ii) where any display yard, industrial fueling installation, or public

utility installation abuts a lot in an A, AM, R, or RM District, or is separated therefrom by a lane; and

(iii) where any storage tank or equipment, listed in Sections 6.27(22) and 6.27(23) of this Bylaw, is located outside of an enclosed building, in the R, RM, C, CM, M, E, I, B, and P, and PM Districts.”

(aaa) at Section 6.20, by repealing the opening paragraph of subsection (3) and replacing it with the following:

“(3) In addition to the exclusions listed in Section 6.20(1), for the purpose of calculating gross floor area in districts other than the R1, A, and AM1 Districts, the following shall be excluded:”

(bbb) at Section 6.20.1, by repealing the opening paragraph and replacing it with the following:

“For single family and duplex dwellings, except in the R1 and AM1 Districts, gross floor area for any portion of a building, with the exception of staircases, where the height from the floor to the ceiling directly above exceeds 4.5 m (14.8 ft.) shall be calculated in accordance with the following:”

(ccc) by repealing Section 6.26 in its entirety and marking it “Repealed”.

(ddd) at Section 6.27, by repealing the opening paragraph and replacing it with the following:

“In R, C, CM, M, E, I, B, P9, and PM Districts, all permitted uses other than the following uses must only be carried out within a completely enclosed building:”

“6.32 Base and Overlay Zoning Districts:

Where a lot is zoned to include an overlay zoning district, the base zoning district continues to apply except as modified, supplemented, or expanded by the overlay zoning district, in accordance with the following regulations. For the purposes of this section, a building “abutting a street” includes any building that fronts a public street or is separated from it only by a setback, landscaped area, or surface parking area on the same lot.

6.32.1 Height

- (1) Subject to subsection (2), the maximum permitted building height is determined by:
 - (a) the permitted height of the base or overlay R District present on the lot; or
 - (b) where there is no R District, by the base or overlay zoning district with the greatest allowable height.
- (2) Where the base or overlay zoning district is the R1 District and no dwelling units are provided on a lot, the least permissive R1 District height shall apply.

6.32.2 Lot Line Setbacks and Lot Coverage

- (1) Required setbacks from property lines for a given use shall be determined by the zoning district containing that use.
- (2) Where a lot contains uses permitted in both the base and overlay zoning districts, the most permissive setback regulations shall apply.
- (3) Required lot coverage and impervious surface area shall be determined by the base or overlay zoning district with the greatest allowable lot coverage and impervious surface area.

6.32.3 Permitted Uses

- (1) A lot may contain uses permitted in the base and/or overlay zoning districts, except as otherwise provided for in this Bylaw and subject to the other conditions set out in this Section 6.32.

6.32.4 CM District Conditions

- (1) The following is required on lots with a CM District base and an R District overlay:

- (a) A minimum of 60% of the ground level gross floor area of all buildings on the lot abutting a street must contain non-residential CM District use(s), which may include associated supporting service areas such as storage, mechanical rooms, circulation, or other spaces directly related to or necessary for the operation of the non-residential use. The remainder of the ground level storey may be used for other permitted base or overlay district uses, including residential amenity space or ground-oriented residential dwelling units.
- (b) On CM2 District lots, all buildings required to have ground level commercial uses referred to in paragraph (a) require a second commercial storey in any other above-grade portion of the building, of which a minimum of 60% of the gross floor area of the storey must contain non-residential CM2 District use(s), subject to the same conditions of use set out in paragraph (a).

6.32.5 E District Conditions

- (1) The following is required on lots with an E1 District base and an R District overlay:

- (a) Residential use is limited to purpose-built rental housing.
- (b) A minimum of 80% of the ground level gross floor area of all buildings on the lot must contain non-residential E1 District use(s), which may include associated supporting service areas such as storage, mechanical rooms, circulation, or other spaces directly related to or necessary for the operation of the non-residential use. The remainder of the ground level storey may be used for other permitted base or overlay district uses, including residential amenity space or ground-oriented residential dwelling units.

(2) The following is required on lots with an E1 District base and a CM1 District overlay:

- (a) A minimum of 60% of the ground level gross floor area of all buildings on the lot abutting a street must contain non-residential CM District use(s), which may include associated supporting service areas such as storage, mechanical rooms, circulation, or other spaces directly related to or necessary for the operation of the non-residential use. The remainder of the ground level storey may be used for other permitted base or overlay district uses.
- (b) An E1 District principal use must be present on the lot.

6.32.6 PM District Conditions

(1) The following is required on lots with a PM2 District base and an R District overlay:

- (a) A minimum of 5% of the gross floor area of the lot must

contain non-residential PM2 District principal use(s), which may include associated supporting service areas such as storage, mechanical rooms, circulation, or other spaces directly related to or necessary for the operation of the non-residential use. The remainder may be used for other permitted base or overlay district uses.

- (2) Where residential dwelling units are provided, a minimum portion must be non-market rental housing in accordance with the following:
- (a) Non-market rental housing units are required in addition to any required inclusionary rental units on lots with R5, R6, R7, and R8 overlays.
 - (b) Non-market rental housing units must be provided at the percentage of total dwelling units set out in the table in Section 1100.1(1) for the applicable City of Burnaby quadrant, including on lots with an R1, R2, R3 or R4 overlay and where the residential dwelling units provided are all rental units.
 - (c) The maximum rental rate for non-market rental housing units required under this section 6.32.6 must be below the rental rate for market rental units and be subject to a Housing Agreement.
 - (d) Non-market rental housing units required under this section 6.32.6 are not eligible community benefit bonus housing under section 1200.1 of this Bylaw.”
